

Built in the style of the 13th century, [St Peter's Church](#) was described by Poet Laureate Sir John Betjemen as 'a Tractarian work of art'. Now a grade II listed building, it is covered in especially ornate, gilded wall paintings.

Inside you will also see subtle nods to the patron St Peter as the 'Fisher of Men'. The chancel roof has been designed as an upturned fishing boat and the stained-glass windows continues the fishing theme.

Giving to the Work of the Church

By using (and completing) one of our gift envelopes, the value of your contribution is increased by 25p for every £1 given (if you are a standard rate taxpayer). The parish is dependent, solely on the offerings of the congregation for its day-to-day running. If you would like to know details of how to give regularly, please speak to the Treasurer, Richard Adams (07903900139)

Collect

God our redeemer,
you have delivered us from the power of darkness
and brought us into the kingdom of your Son:
grant, that as by his death he has recalled us to life,
so by his continual presence in us he may raise us to eternal joy;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever. Amen

HASCOMBE FOUNTAIN UPDATE

Since being instructed by Waverley, following direction from the Drinking Water Inspectorate (DWI), to shut off the fountain's water supply, the Parish Council has been working with Waverley to identify a way to restore it. Two potential options are currently being considered:

- installing a structure to prevent the collection of water; or
- preferably, implementing measures to ensure the water meets drinking water standards.

In order to satisfy the DWI, an initial series of three water quality tests is required, each approximately three weeks apart. These tests can only be undertaken when the spring is at its lowest flow, typically from September onwards. Testing must be carried out under controlled conditions by an accredited laboratory and will assess over 100 potential contaminants. The cost is approximately £700 per test. The Parish Council will consider at its May meeting whether to allocate funds from reserves to cover this initial testing.

Post Communion

God our Father,
whose Son Jesus Christ gives the
water of eternal life:
may we thirst for you,
the spring of life and source of
goodness,
through him who is alive and reigns,
now and for ever. Amen.
