ALL ARE WELCOME

A devastating 7.2 magnitude earthquake struck northern Venezuela just after 6 pm local time on Wednesday 24 June. A second, more powerful 7.5 magnitude quake hit less than a minute later – the strongest to hit Venezuela since 1900.

The most serious impact has been reported in La Guaira and the Greater Caracas area – two of Venezuela's biggest and most densely populated cities. Since then, aftershocks from the quakes have continued to hamper rescue attempts.

Millions of people have been affected, with more than two million in the worst impacted areas. Importantly, thousands more are reported missing, which means that rescuers are still racing to find survivors trapped in collapsed buildings.

While the full scale of the disaster is still emerging, we know that families urgently need shelter, food, water and medical care.

We're releasing emergency funds to our network of trusted local partners active in the epicentre of Caracas and La Guaira.

Our partners are on the ground, providing emergency medical treatment, delivering meals and food baskets and ensuring people have access to clean drinking water. They're well-placed to deliver life-saving essentials, health kits to treat basic injuries and shelter to some of the worst-hit communities in some of the poorest neighbourhoods.

Please pray for those affected by the earthquakes and aftershocks. Please pray for first responders and charity organisations helping in the region. If you would like to support Christian AIDS activity, please find a link below.

On Saturday, Jane Wright will be appointed as a Lay Pastoral Visitor in a service at Guildford Cathedral at 5pm. This is a significant ministry of outreach offered by the church. We are deeply blessed that our parish will now have two pastoral workers - Jane and Pam. On Sunday we will recognise Jane's appointment at our 10am service. Please join us if you can, and help us celebrate this wonderful moment in the life of our church.

God is never far away

One of the most comforting truths of faith is that God is never limited by location. You don't have to wait until Sunday. You don't have to be inside a church. You don't need perfect words.

A whispered prayer in the kitchen. A quiet conversation with God during a lunch break. A prayer offered from a hospital room. A prayer through tears late at night. He hears them all.

Prayer reminds us that God's presence is not confined to a building. He walks with us through ordinary days, difficult times, joyful moments, and lonely places. No matter where you are today, you are never beyond the reach of His love, His comfort, or His attention.
